

Charging and Fueling Infrastructure Discretionary Grant Program

[FHWA](#) → [Environment](#) → [CFI](#) → [Grant Recipients](#)

CFI Round 1B Grant Award Recipients

The Charging and Fueling Infrastructure (CFI) Program awarded \$521.19 million in grant funding to 51 applicants to strategically deploy publicly accessible electric vehicle charging and alternative fueling infrastructure in the places people live and work – urban and rural areas alike – in addition to along designated Alternative Fuel Corridors (AFCs). The Round 1B 51 awards are located across 29 States and the District of Columbia, and include eight Tribes.

CFI Grant Program Information

- To learn about CFI Program updates and future availability of CFI grant funding, please periodically visit Grants.gov and [this website](#).
