## OVERVIEW | Bipartisan Infrastructure Law (BIL)

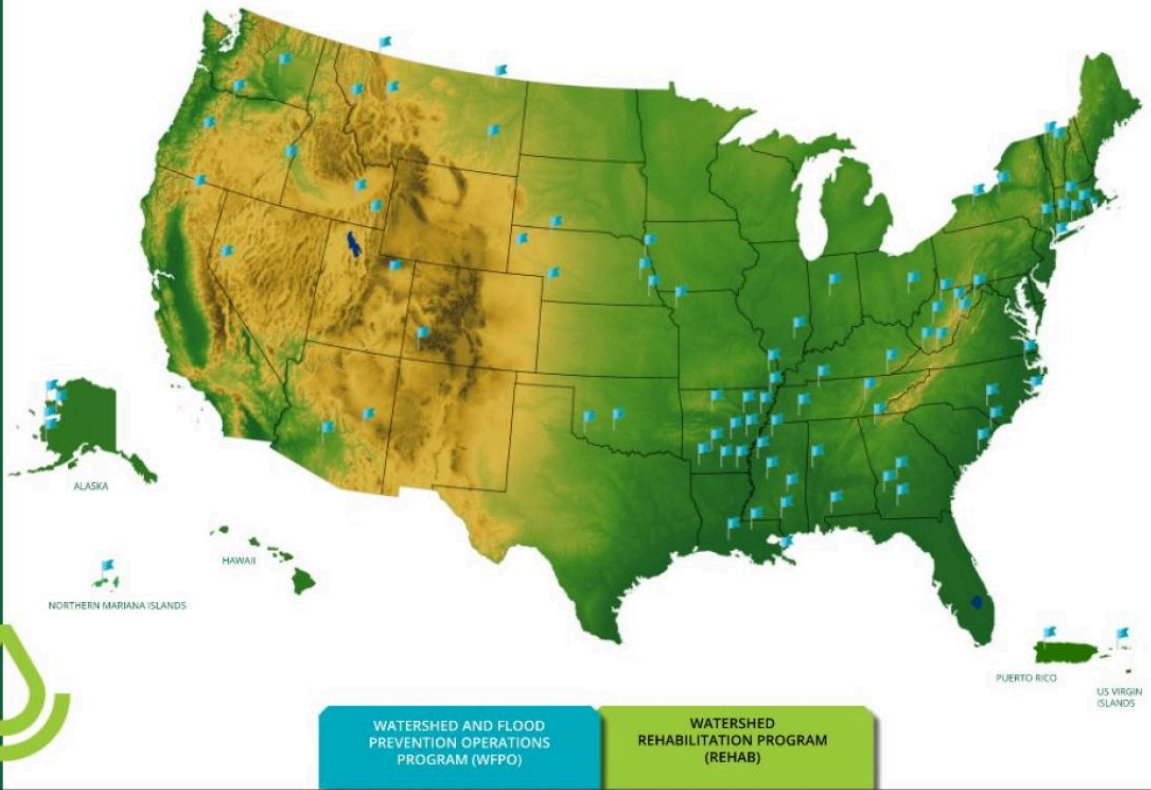

---

USDA's Natural Resources Conservation Service is funding projects in rounds. **In the first wave of funding (March), NRCS invested more than \$166.5 million in 108 projects in 23 states. The second round of funding (April) provides \$420 million for 132 watershed protection projects in 31 states, including rehabilitating dams, flood prevention, and watershed preservation.**

NRCS will continue to review and fund requests as funds are available.

NRCS encourages local sponsors to submit requests through their local program managers. Contact information and additional resources page.
