Description: This Notice of Funding Opportunity will result in the distribution of
up to \$44,550,000 for two different categories of grants: (1) Planning
and Design Grants and (2) Construction Grants.

The Active Transportation Infrastructure Investment Program (ATIIP) projects will help improve the safety, efficiency, and reliability of active transportation networks and communities; improve connectivity between active transportation modes and public transportation; enhance the resiliency of on- and off-road active transportation infrastructure and help protect the environment; and improve quality of life in disadvantaged communities through the delivery of connected active transportation networks and expanded mobility opportunities.

The ATIIP grants will allow communities to identify, prioritize, and implement improvements to the largest barriers to safe, accessible, and equitable pedestrian and bicycle network connectivity through the development of infrastructure that will provide substantial additional opportunities for walking and bicycling. Eligible organizations will be able to create plans or implement active transportation networks that connect destinations within or between communities or create plans or implement an active transportation spine connecting two or more communities, metropolitan regions, or States. The ATIIP also provides an opportunity for eligible organizations to enhance their overall transportation network by integrating active transportation facilities with transit services, where available, to improve access to public transportation.

AMENDMENT 1 TO NOFO issued on 4/15/2024: The purpose of this amendment is to change "Eastern Standard Time" to "Eastern Daylight Time" in the NOFO.

AMENDMENT 2 TO NOFO issued on 6/13/2024: The purpose of this amendment is to extend the opportunity deadline date from Monday, June 17, 2024 to Wednesday, July 17, 2024.
