## Additional Information

**Agency  
Name:** Environmental Protection Agency

**Description:** Gulf of Mexico Division (GMD) is a non-regulatory division of the U.S. Environmental Protection Agency (EPA) founded to facilitate collaborative actions to protect, maintain, and restore the health and productivity of the Gulf of Mexico in ways consistent with the economic well-being of the Region. To carry out its mission, GMD continues to maintain and expand partnerships with state and federal agencies, federally recognized Tribes, local governments and authorities, academia, regional business and industry, agricultural and environmental organizations, and individual citizens and communities. For more information, please see <https://www.epa.gov/gulfofmexico>. This Request for Applications (RFA) is expected to result in the award of assistance agreements. GMD's statutory authority to award assistance agreements is the Clean Water Act, §104(b)(3), which authorizes the award of

assistance agreements to conduct and promote the coordination and acceleration of research, investigations, experiments, training, demonstrations, surveys, and studies relating to the causes, effects, extent, prevention, reduction, and elimination of pollution as codified in 33 U.S Code 1254(b)(3).
